This group is designed for couples of all ages, post High School and beyond. It is for young marrieds, those thinking of getting married, those who have been married for some time, and those wanting to connect with other couples with or without children. “Love & Respect”, their study resource, is based on a passage in Ephesians 5:33. With extensive biblical & psychological research, Dr. Emerson Eggerichs reveals the power of unconditional love and unconditional respect and how husbands and wives can reap the benefits of a marriage that God intended.
