LIFE Groups not only provide the opportunity for us to mature and grow as a believer but also give us the opportunity to be used by God to make a difference in the lives of others. Many have not grown up in a family that was nurturing and encouraging and are needing the support that our LIFE Groups provide. To be valued and appreciated is something we all are in need of. Pastor Jim has often reminded us that our goal here at New Hope is to

connect people to God, connect people to others and to help to equip them to be released into ministry. In order for that to happen, we must have occasions that allow us to connect with others. LIFE Groups provide that connection.

We encourage you to set aside any hesitation you might be experiencing and “go for it”. You’ll be glad you did. By the way, you can feel free to move from group to group as you choose. They are all different and you may feel more comfortable in one group over another. We offer different topics to meet a wide range of need and interest. Check out our LIFE Groups...you’ll be glad you did!

## A Study of Ezekiel

Pastor Jim continues his study of the Book of Ezekiel, an intriguing story of God's judgment and glory.

Ezekiel's prophecies were to deliver God's message of judgment to apostate Judah, Jerusalem and the seven foreign nations around them. Also to sustain the faith of God's remnant. Our Ezekiel LIFE Group is open to everyone!
